

Why Lenovo

for

Higher Education

Study Smarter, Not Harder

Lenovo is the World's #1 PC Provider for a reason. We understand as a student your schedule is demanding, and you need the right products and solutions to help you meet the demands of your day.

In today's everchanging world, flexibility, mobility, and reliability are key now more than ever. To help you meet the needs of your demanding schedule, Lenovo's carefully crafted solutions are there to ensure you stay on top of your education, in and out the classroom.

...It's not a laptop, it's a ThinkPad

Lenovo thoughtfully crafts solutions that set a superior standard in dependability, performance, and design
